## we love conventions and groups!

We are one of Seaside's top convention hotels for a reason. We love working with large groups! Our warm, professional staff goes out of their way to ease the stress of planning or attending a large event.

In addition, we are steps away from the Seaside Civic and Convention Center, making it easy to park your car at check-in and not move it again until check-out. Last but not least, our condo-style rooms are spacious and comfortable for convention attendees, featuring a washer/dryer, full kitchen, air conditioning and much more in each suite.

Seaside is a great convention destination, and Rivertide Suites is your host hotel for a great stay.
