Innovate Your W1AW Special Event

Talk with Vendors

Be Visible
With your plan to
operate a Special
Event Station like
W1AW /ISS

W1AW / KL7

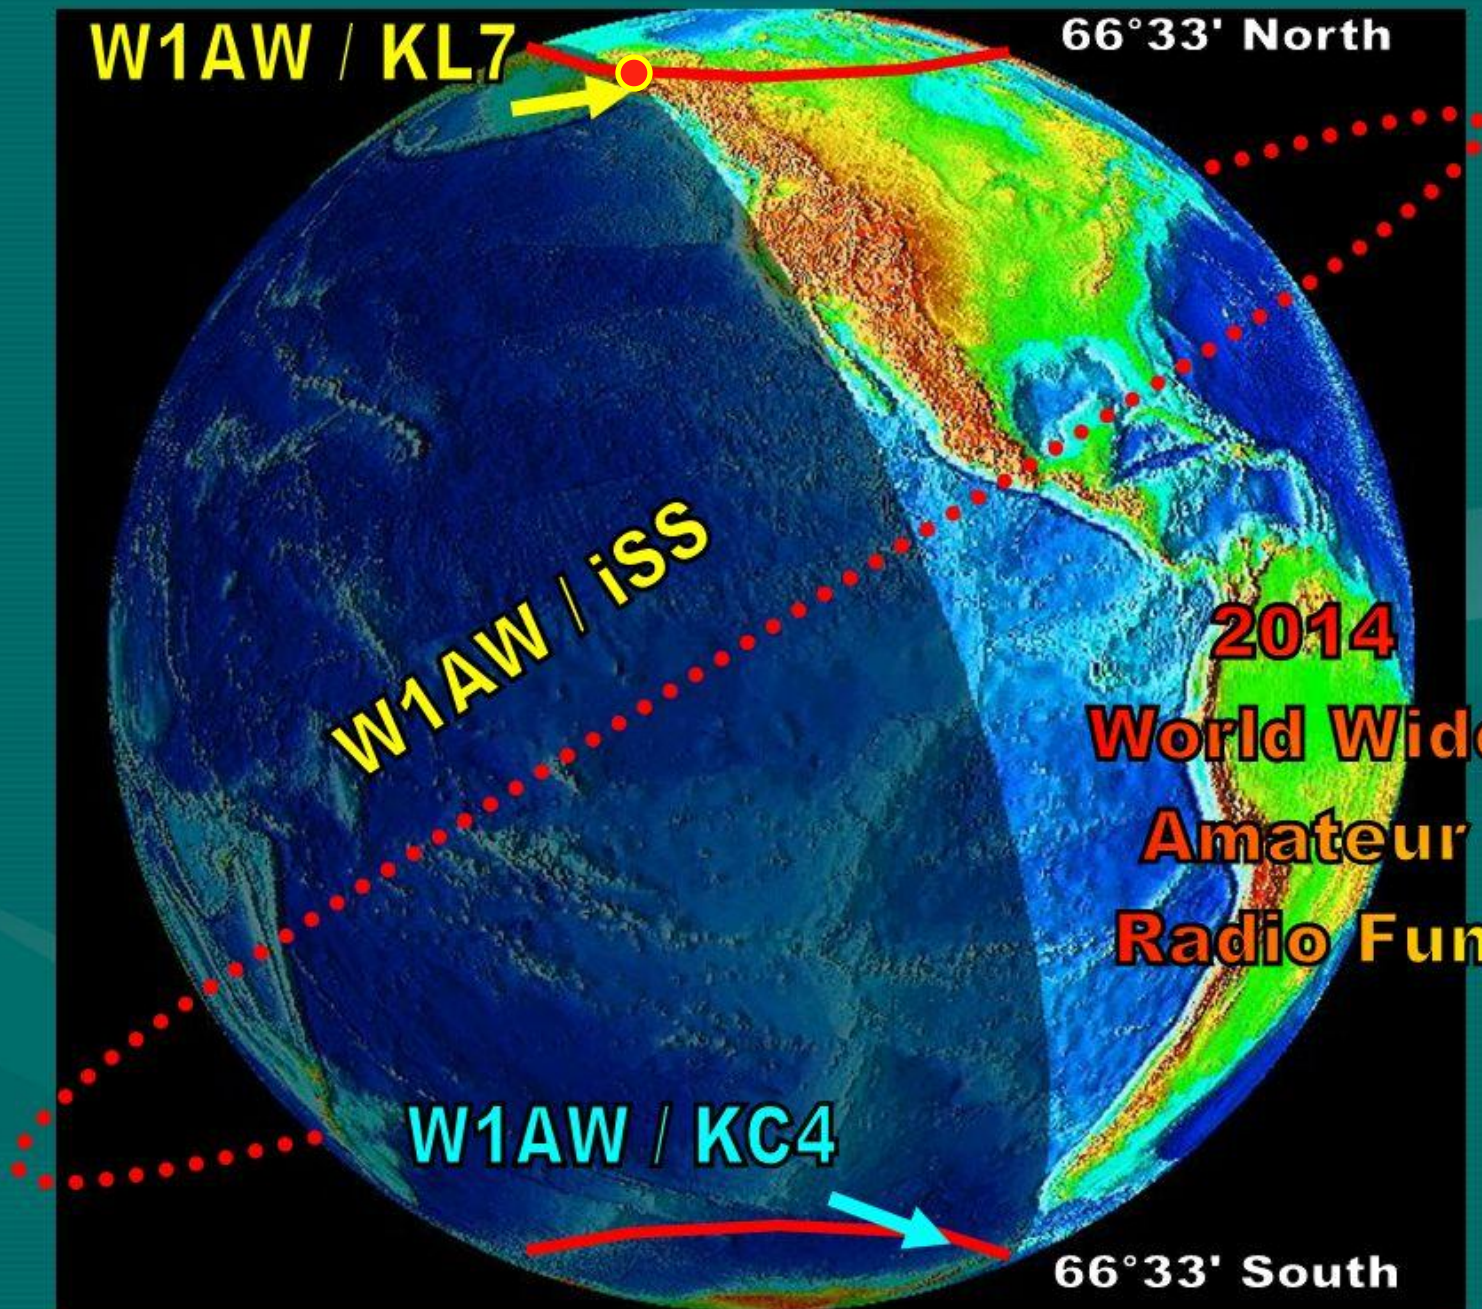

66°33' North

W1AW / iSS

**2014
World Wide
Amateur
Radio Fun**

W1AW / KC4

66°33' South

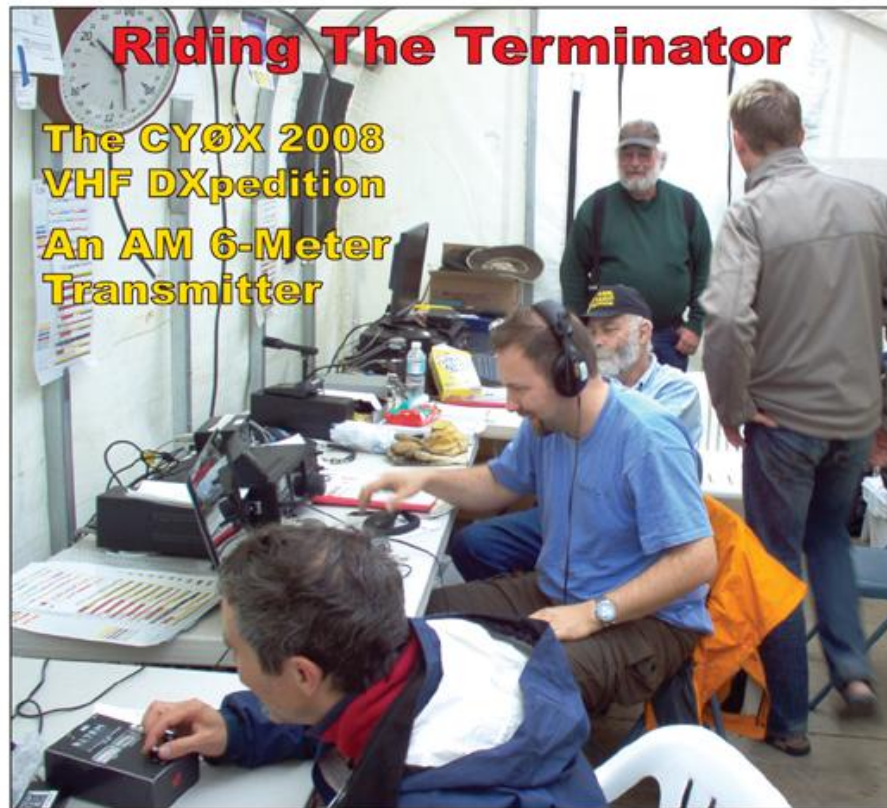

**Pick a spot
Where your plan to
operate a Special
Event Station like
W1AW /ISS,
Where you can get an
Amateur Radio License to
Operate the Radios.**

***Innovate your
Special Event
Announcements***

Write an Article way in advance of your event.

Take out advertisements in places that target your audiences. **SEAPAC** takes out an ad in the ARRL Repeater Directory. Give out the dates up to two years in advance.

- VHF/UHF Weak Signal ■ Projects
- Microwaves ■ Packet Radio
- Repeaters ■ Amateur Satellites
- Interviews ■ Plus...Reviews, Product News, and much more!

**Make sure you have a
communications
way/method, to connect
the Internet to provide
timely information to the
thousands of stations that
are just waiting to work
your Special Event !
